

PROJECT READY CASH

Hi! I'm Nick Marshal, welcome to "Project Ready cash"

Introduction

This free report explains nice method I was developed few months ago; mainly help you to make money online easy. In this free report you'll find an excellent Pre Established Ready cash money making method, well experienced guys earn millions of profits online.

Ok! Let's getting started.....

What exactly "Project Ready Cash" Is?

"Project Ready Cash" is a simple method; Runs upon the concept of "Earning While Learning"

How it works?

The process is so simple, I've created a word document file (22046 words) explains "How to create own eBooks for internet market" this document explains most important points of own eBooks creation process.

You can download this word document file and you've full legal permissions to re-brand this document while claiming you're self as the author and convert this word document file into the any format as you wish (PDF, EXE, or any)

Next you can sell "your product" with your own name for any price as you wish on the internet.

Why, I was thought to compose this kind of word document?

The people who're selling information products such as eBooks on the internet earn millions of profits without head aching hard works like affiliate marketing. Because, there are thousands of hungry information seekers for **some kinds of hot** topics (ethical) so, the main objective of this document was teaching you that "How to getting familiar with most important points, if somebody wants to become a successful eBooks composer/seller on the internet.

What're the benefits you're getting with this offer? /and how to find them?

The word document file what I've created is an excellent tutorial guide describes "How to create own eBooks for internet market" So, it'll assists you to improve your knowledge with most important and informative contents related to the subject.

And next, you can practically experiment all the techniques you had learnt with this tutorial guide while rebranding the document file as yours and selling it on the internet. As an example, A man teaches you that "How to selling a man on the internet" and you test it with selling him self on the internet.

So, you'll learn following most important things after reading this word document file.....

- ✓ What're the HOT topics that are sure customers?
- ✓ Where to find writers quick.
- ✓ How to select a writer that will get the job done right the first time.
- ✓ What exactly ghostwriting is all about, I promise you don't need a lawyer to figure this out.
- ✓ Why cover art is critical, and how it can hurt you if it's done incorrectly.
- ✓ How to get cover art done, at unbelievable prices.

And this document presents very detailed answers for following questions....

- ✓ How can I pick a topic that zeros in on one of the Top 5 concerns that people have right now?
- ✓ What are some categories of eBooks that are ALWAYS hot and are reliable niches year after year?
- ✓ Where are the best places and sites to find writers?
- ✓ How much should I expect to pay for cover art?
- ✓ How can I find someone who will do custom cover art?
- ✓ How do I process people's payments?

- What format should I sell the book in?
- Should I put up a website, or a sales letter, or what?
- Should I offer refunds or guarantees?
- Are ideas copyrightable? Can I use an idea someone's already put out a book on, and just spin it differently?
- Do I have to pay ghostwriter royalties or can I just pay them a lump sum?
- Why do I see so many "how-to" books on the market these days?
- Who buys more eBooks', women or men?

Have you an idea that, why I was named this offer as "Ready Cash" YES! Answer is clear; I have completely done most difficult part of this offer. That's composing the full source document file explains "How to create own eBooks for internet market"

So, Your Part is extremely easy Like 1, 2, 3 Because, Actually Cash is Ready. WAKE UP NOW!!!!

Download word document file, replace the names and links as your own, convert into any format as you wish, decide any price as you wish, create a PayPal payment button and SELL.

But, if you want to be a successful eBooks seller I strongly recommend you as well understand this.....

This is a learning tutorial. So, it includes lots of important contents help you to update your knowledge too. And my purpose isn't only giving you an opportunity to make money online with rebranding this document, because my purpose has another orientation also it's feeding your brain with useful new ideas.

Are you happy with this deal? I think **YES!** But the story isn't over yet.....

Starting of any web based business without implementing ways to getting targeted customers (visitors, unless traffic) into your niche is useless. So, I decided to raise your process into further easier stage.

"How to Find Customers for HOT eBooks" A Small eBook explains proven ways to finding laser targeted customers for your product without spending single or penny from your pocket. The beauty of this eBook is. It doesn't include rubbish contents with boring

paragraphs. It describes only four techniques as traffic driving strategies, but includes are super targeted. As an example, I have been earning \$15.00 of affiliate commission per 3 -5 days while wasting only 10 minutes per day since Sep of 2008 from a clickbank affiliate product with a simple technique this eBook explains, has implemented with a popular social bookmarking web site (Not Digg). You'll find it on "How to Find Customers for HOT eBooks"

Ok! I think that I've done something valuable and also perfect here with **Project Ready cash**. Because I've presented lots of essential tools you need to build own long term eBook selling business on the internet.

But if what I say, **only** you're interesting with this offer, you can buy this whole **Project Ready cash** package (include word doc file (22046 words) "How to create own eBooks for internet market" + (traffic driving guide) How to Find Customers for HOT eBooks for very cheap price like **\$4.95** TODAY.

Why this product is cheaper like \$4.95? Is it poor quality? Perhaps, you may be asked.....

No, it's another marketing technique, **LOW PRICE *EASY* MORE SALES!**

Tip

Use the technique when you're also selling products.
